

The **Hampton Bays Middle School Administration** and the **Seventh Grade Class Advisors** have adopted the following rules and regulations regarding participation in out of school activities, most notably the overnight trip to Frost Valley YMCA:

- Any student who incurs any day of in-school or out of school suspension is automatically disqualified from participation
- Any student who incurs a total of 9 periods of detention (at any time throughout the year) is automatically disqualified from participation
- Any student who does not have a parent represent them at a Mandatory Parent/Teacher field trip meeting will not be allowed to participate on the trip
- Any student who does not complete and return the necessary forms (behavior, medical, registration, et al.) required for the trip will not be allowed to participate
- Administration reserves the right to consider individual situations beyond this scope that may allow or preclude participation on this trip

The above rules have been put into place to secure the safety and well-being of all trip participants. In addition, while on the trip, all school rules apply as per the Hampton Bays Union Free School District Discipline Code of Conduct.

The purpose of this 2 night/3 day Frost Valley Trip Experience is to build social skills, team work, and problem solving throughout the Seventh Grade Class. As well as tying together the opportunities of a college visit to Marist College. It is our hope to provide each child with a memorable and educational experience.

Please fill out the bottom of this sheet and the attached Pledge of Cooperation and return to Mr. Balistreri or Ms. Heenan ASAP.

Remember: NO FORMS = NO TRIP! Thanks!
